Hi Betsy,

Thanks for your phone message. I left you a message as well, but wanted to follow up since you indicated you will be out of town for the rest of the week. EPA agrees to a new extended due date of June 28, 2013 for M2Green's 104(e) response. To discuss logistics of getting the response to us, I am available Tuesday morning from 8-11, or in the afternoon from 3-4. Please feel free to give me a call in any of those windows, or let me know if there is a better time when you are back in town.

Thanks,
